CATERING AND EVENT MANAGEMENT

BBQ Catering

BBQ events are a wonderful way to enjoy together with family and friends. If you are looking to plan a unique event, you've come to the right place! From parks to beaches to your private location, we can cater virtually anywhere.

We're as down-home or upscale as you need us to be, with a whole lot of delicious thrown in between. Apart from the classics such as hot dogs and burgers, our famous grilled meats set us apart. Whether you're craving some T-bone, BBQ, or ice cold beer to wash it all down, we've got everything from the sides and the sweets to the starters and the sliders.

When it comes to assisting in finding a venue and offering the best menu options, we can provide you with all that and more.

Maybe you're interested in live music, building a bonfire, or kid friendly activities? Our amazing event planners can find the perfect fit for your particular group.

So help yourself to Glatt365's BBQ Catering. We're ready to fire up the grill when you are.
